General Comments:

We have a new sister in Christ, Nadege who has been studying for almost 2 months and as a church, we welcomed her to wonderful family of God.

We held also our fellowship meal at Sister Laure's place and enjoyed that moment. This has started helping brothers and sisters to pay visit to one another as they feel that once a month is not enough.

We have created another ministry (youth ministry) and we are finalizing the yearly budget next month.

Prayers Requests And Thanksgivings

We thank all of you for your prayers and exhortations. We thank you also for your prayers for the Nkoabang activities and financial support for my family every month. Thank you as well for your prayers as the youth ministry has been put in place; Please continue to pray for my wife and I as well as the new family I am working with(Yanick),for with youth you we may not achieve through your exhortations, financial supports and especially prayers. May the Lord continue to bless you in every aspect of your lives according to his plan for you.

In Him,

Simon

(Brother Simon works with French speaking areas of Cameroon as Abasiama works with the English speaking regions. We do not support Brother Simon. We are publishing his report as a courtesy. If you know of any individuals or congregations who can offer some support, let us know and we can get you in contact with Brother Simon)

Correction-On the calendar June 2nd was Roland Mohsen's birthday, not his anniversary. It is difficult to have an anniversary by yourself
